The building we are using is a Government building with a very strict cleaning policy. Due to this reasonable policy, the NMBC is collecting a **separate \$25.00 cleaning deposit** which is fully refundable at the close of the mart on Saturday, providing you leave the facility in the same clean condition that you rented it. We ask every vendor to help us return the facility as received, in an effort to keep the rental affordable into the future.

Vender standard space 15 x 10	_____ \$50 ea	member _____ \$45 ea	\$ _____
